The EU type-examination certificate refers to the above mentioned radio equipment. This is to certify that the technical design of the radio equipment meets the essential requirements set out in Article 3 of the Directive 2014/53/EU. This certificate does not imply assessment of the series-production of the equipment and does not permit the use of a TÜV Rheinland mark of conformity. The certificate holder is entitled to use this certificate in connection with the EU Declaration of Conformity in accordance with Annex VI of the Directive.
